

Yangtey farmers received Arka Vegetable seeds

In an event organized at the Sakyong of Yangtey G.P.U, vegetable seeds of Arka series were given for the farmers. Sh.Kalaivanan, N. S, Nodal Officer (SCSP) briefed the traits of each variety of 6 different vegetable including Harishta (Brinjal), Nikita (Okra), Sukomal (French bean), Sambhram (Dolichos), Anupama (Palak) and Prasan (Ridgr Gourd). Farmers were briefed about the planting procedures and growth requirement of vegetables. These seed varieties were supplied by ICAR-IIHR under NEH programme of the institute. Sh. Sesir Ghimery, PA (CBBO) coordinated the event with the farmers and panchayat members.
