

Input distribution to beneficiaries under SCSP Project of ICAR-NRCO

Farmers from the Pancheykhani, Parakha, Linkey and Machong received the inputs of winter vegetable seed kits and water cans under Scheduled Caste Sub-Plan of ICAR-NRC for Orchids. Sh. Kalaivanan, N. S, Nodal Officer (SCSP) presented the characters of the new cole crops being introduced for the farmer namely kale, Brussel Sprouts and Knol –khol with their cultivation practices and economic plant part and mode of harvest. The programme was followed by the Honorable PMs address on the conclave of Natural Farming in parallel with Vibrant Gujarat Conclave. A total of 16 beneficiaries attended and received the materials. Mrs. Menuka, Horticulture Development Officer coordinated with ICAR-NRCO for the event.
